

Safety. Safety. Safety.

Our guarantee with every MENNEKES Switch.

It's no surprise that people who want the safest choose MENNEKES.

For more than 70 years, we've set the standard for product materials, design, performance and safety. Our durable, chemical-resistant, fusible and non-fusible NEMA 4X heavy duty Safety Switches have a compact footprint, making them the perfect choice for numerous applications. A MENNEKES Switch is a safe switch: our padlockable handle is OSHA Lockout/Tagout compliant.

As a world leading manufacturer of industrial electrical products, we offer a complete range of wiring devices, switches and interlocks.

See for yourself why more people are switching to MENNEKES.
